(a) A retired person may serve without reinstatement from retirement or loss or interruption of benefits provided by this system upon appointment by a school employer or by the Trustees of the California State University either during an emergency to prevent stoppage of public business or because the retired employee has skills needed in performing specialized work of limited duration, if that service does not exceed, in a fiscal year, a total of 960 hours for all employers. The retired person's rate of pay for this employment shall not be less than the minimum, nor exceed that paid by the employer to other employees performing comparable duties.

(b) (1) This section shall not apply to a retired person otherwise eligible to serve without reinstatement from retirement, if during the 12-month period prior to an appointment described in this section, that retired person receives unemployment insurance compensation arising out of prior employment subject to this section with the same employer.

(2) A retired person who accepts an appointment after receiving unemployment insurance compensation as described in this subdivision shall terminate that employment on the last day of the current pay period and shall not be eligible for reappointment subject to this section for a period of 12 months following the last day of employment. The retired person shall not be subject to Section 21202 or subdivision (b) of Section 21220.
